Kinder 'Kross Technical Guide 2010

Venue: Kinder Farm Park is a 288 acre park located on Jumpers Hole Rd. in Severna Park, MD. KFP is one of the premier parks in the area and is very family friendly with plenty of open space, playgrounds and hiking trails. We encourage you to bring the family and enjoy all the park has to offer. Please visit

<http://www.aacounty.org/RecParks/parks/kinderfarm/information.cfm> for more information.

Sponsors: ABRT would like to thank our title sponsor, Bike Dr. of Annapolis for providing cash and prizes, our contributing sponsor Heartlands Assisted Living at Severna Park for cash prizes and Bobby Phillips and Blue Ridge for prizes and prems.

Registration:

www.bikereg.com

Reg. Fees: \$25 for Elite events, \$10 for U19 events, \$23 for all other events. Lil' Belgians Free. Registration includes parking fee.

Online registration closes on Thursday, October 28th at 11:00pm

There is a nominal additional fee for online registration with BikeReg.

No mail-in registration

On Site Late Registration is available, however we urge you to register online to avoid the **additional \$10 same day registration fee**. Avoid the \$10 day of fee by bringing a Junior.

Registration booth will open by 8:00am

Licensing Requirements:

A domestic USAC license is required for all categories.

Annual and One Day USAC licenses will be available for sale at the registration booth.

NOTE ON RACING AGE: Your racing age is your age as of December 31, 2011 (not 2010).

Racer Sign In: Day-of Racer Sign-in is located at the pavilion areas inside the park. Sign-in opens at 8:00 am and closes 15 minutes before each event.

Parking: Proceed into the park past the main gate. There will be two lots available for racers but parking is limited. We strongly encourage riders, spectators, and volunteers to carpool, as it is both environmentally responsible and fashionable. **There is absolutely NO parking at the Harvey Garcelon Sports Complex next to the park, violators may be towed at their own expense.**

Warmups: The course will be open for inspection and warm-up approximately 15 minutes prior to each event. Warming up on the course during an event is strictly prohibited and will not be tolerated. DQ & forfeiture of entry fee will result.

Course Description: This course loops through the grounds of Kinder Farm Park and will include a combination of pavement, grass, and dirt paths.

Start Line Protocol: Racers must report to the holding pen adjacent to the starting grid for staging 15 minutes before the start of their race.

Call-Up Protocol: All racers will be staged sequentially by race number. Race numbers will be assigned based on the following: Order of registration, late registrants, and promoter's discretion.

Lapped Riders: Lapped riders will finish on the same lap as the leaders. Riders in danger of being lapped must yield to oncoming racers and are not to interfere with their progress or trail behind them.

Pit: There will be one double-sided pit on the course. One bike wash will be available. Please remove your equipment immediately following your race to make room for others.

Field Limits: For the races with combined fields the 125 field limit is for the COMBINED field, not for each individual field. BikeReg has been set up so that once the limit has been reached for the combined field registration will close for each of the individual fields within the combined field.

Prizes: All cash prizes will be based on minimum field sizes with the exception of the Men's and Women's Elite races.

Common Courtesy: Please be respectful of the environment and its inhabitants. This is a multi-use facility open to the public and we will not be the only park patrons. ABRT also would like to remind everyone that we all have a responsibility to leave the race course cleaner than we find it on race day. All refuse should be discarded into appropriate containers. Any rider found illegally discarding objects on the park grounds, the roads leading to and from the race course, and the on the race course itself will be dealt with accordingly (see USCF Rule 3B9, which states in part – 'Riders may not discard materials that are not biodegradable; they may pass or throw such material to support personnel in places far from any bystanders [relegation or disqualification for littering or unauthorized feeding]). Trash containers will be available for rider's to use at the pavilions.

Sportsmanlike Conduct: The Chief Referee and Race Promoter expect ALL spectators and riders to act like responsible adults. Use of profanity and blatant unsportsmanlike conduct will not be tolerated. This is a family friendly park and we are not the only users so please be courteous to all park patrons and staff.

Park Rules: Absolutely No Alcohol permitted inside the park. AACo parks have a strict no alcohol policy, violators will be removed from the park. Pets are welcome but must be leashed at all times.
